Hindi

## Summary

Digital electronic and web development enthusiast with experience html,css:

Python, ,C,Object Oriented programming language,HTML5, CSS. Equipped with good communication skills and Team management skills.

## Training & Experience

Centre for Development of Advanced Computing (**CDAC**)  
mohali.

Summer Internship in  
Nanoelectronics-02/05/2019 -  
17/07/2019

how to Development and Analysis of  
Silicon-CNT heterojunction  
Development .

Training in Embedded systems,

### Technical skills

information theory and coding , VLSI ,  
wireless sensor networks

Computer Proficiency:Microsoft Office,  
Microsoft Excel, Internet, website

### RECENT PROJECTS

Smart glasses,  
road safety,  
dynamic website.

Silicon-CNT heterojunction  
Development.

## **Education -**

**B. Tech :** electronic  
communication Engineering –  
2017-21

Marks - 7.8 SGPA(avg. Of 6  
sem.) Guru Nanak Dev

Engineering College, Ludhiana

**XII** sadanand intermediate  
college, (Bihar Sharif ) Marks –  
67.3 %

**X** Ramsharan Tukeswari High  
school - (Bihar )Marks – 71 %

## **Hobbies & Extra Curricular Activities --**

1. Painting and Drawing
2. Audio and Video Editing
3. photography fine art (2017-  
2018)
4. Basketball and Cricket
